

Institutional distinctiveness:

Vision of the institute is to meet the Educational, Social, Cultural & Economic needs of the region and the nation to create a just and Humane Society.

Along with students' regular academic learning they should be provided extra courses, so they can obtain additional knowledge and qualification. Institute has provided students following certificate and diploma courses.

1. Certificate course in Criminal Psychology
2. Certificate course in Tourism
3. Diploma course in Criminal Psychology
4. Advanced Diploma course in Criminal Psychology
5. Diploma course in Tourism
6. Advanced Diploma course in Tourism

We organized 'tradition day' and 'modernity day' to promote students' cultural activities.

The institute has organized different cultural activities and competitions like poster presentation, debate, elocution competition, essay competition etc.

The institute organized 'Science Day' to make aware the students about scientific development in the country and develop scientific attitude among them.
